

AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of July, 2021 (the "Effective Date"), by and between RURAL/METRO CORPORATION, an Arizona corporation (hereinafter referred to as "Rural/Metro") and Hidden Valley Fire District, a political subdivision of the State of Arizona located in Pima County (hereinafter referred as "Fire District").

RECITALS

- A. Rural/Metro is in the business of furnishing fire protection, fire suppression, emergency medical services, and rescue services in certain areas of the State of Arizona.
- B. Fire District is a special taxing district organized under Chapter 5, Title 48 of the Arizona Revised Statutes. Fire District is authorized under A.R.S. Section 48-805(B) (7) to enter into an agreement to procure the services of a private fire protection company.
- C. Fire District desires to obtain the benefit of Rural/Metro's knowledge, equipment and services for fire protection, fire suppression, emergency medical services, and rescue services within the Fire District's boundaries.
- D. Rural/Metro desires to provide such services to Fire District.

NOW THEREFORE, in consideration of the mutual covenants and promises set forth herein, the parties agree as follows:

1. Definitions. For the purposes of this Agreement, the following terms will be defined as follows:
 - (a) Response Time. The time that begins when Pima County Communications notifies the fire station of an emergency call and ends with the arrival of unit(s) at the scene location provided to Rural/Metro by the calling party.
 - (b) Service Area. The properties in Pima County, Arizona designated as the Fire District, as listed in Appendix A, attached hereto and incorporated herein, as revised on July 1 of each year after 2021, to include properties added to Fire District and to exclude properties deleted from Fire District.
2. Services. During the term of this Agreement, Rural/Metro agrees to supply the Fire District with fire prevention and fire protection services, advanced life support (ALS) emergency medical services (ambulance transportation is charged separately), rescue services, community information and education services (the "**Services**"). Unless mutually agreed upon in writing, the Services to be provided by Rural/Metro include only: (i) responding to fire emergencies; (ii) providing fire

prevention services when necessary to help prevent a known and imminent fire risk; (iii) fire cause determination and investigations; (iv) enforcement of regulations such as the applicable local fire codes; (v) search and rescue; (vi) water rescue; (vii) extrication; (viii) paramedic (ALS) emergency medical first response; (ix) communications and dispatch services, (x) certain non-emergency services including, but not limited to venomous snake removal that Rural/Metro offers to its subscription membership in Pima County, and (xi) community information and educational services provided at Rural/Metro's discretion based in part on available resources (i.e. Community Emergency Response Training, pool safety, homeowner association meetings, Firewise program assistance, etc.). The Services also include the following at additional cost to the property owners receiving the Services: (a) assisting the responsible building official, department, or agency with the review of building plans; (b) responding to hazardous material incidents, and (c) CPR classes, fire extinguisher training, and first aid training. Further, Rural/Metro may charge third parties for providing certain Services as provided in Section 3 below.

3. Additional Services. To the extent permitted by law, Fire District agrees to allow Rural/Metro to bill the responsible party for any costs and/or expenses of any nature incurred by Rural/Metro in responding to: (i) handling and disposing of "hazardous materials" which shall include but are not limited to dangerous goods, hazardous materials as defined under CERCLA, and similar products, substances and/or waste; (ii) any situation the occurrence of which, by statute or otherwise, provides Rural/Metro with the right to collect its costs from the party; and (iii) fire prevention plan reviews and other similar fire prevention services. Fire District is not obligated to pay for any of the foregoing amounts not collected by Rural/Metro.
4. Equipment and Services. Rural/Metro will provide the equipment and personnel to provide the Services. The parties acknowledge and agree that based on historical data and the current population, geographic nature, accessibility of the Service Area, and internal analysis, the equipment and personnel provided by Rural/Metro are adequate to provide the Services. Rural/Metro will strive to maintain Fire District's current ISO Rating (2) or better. In addition, Rural/Metro will make commercially reasonable efforts to provide Services to Fire District's Service Area in accordance with industry standards for similarly situated providers of fire suppression and prevention services. Fire District understands that dealing with fire is inherently risky, extremely dangerous, and unpredictable and Rural/Metro's ability to suppress the spread of fire is dependent upon multiple factors and conditions, many of which are outside of Rural/Metro's reasonable control.
5. Circumstances Affecting Service Levels. The following factors, which are beyond the control of Rural/Metro, will be considered in determining whether Rural/Metro has met the service level criteria set forth below in Section 8, to the extent that any of the following circumstances adversely affects Rural/Metro's ability to meet the service level criteria:

Road conditions (closures, construction, traffic, accidents)

Access (distance from accessible road, height of building, gated, blocked)

Weather

Providing Services contemporaneously within the Service Area or under Mutual Assistance arrangements

6. Dispatch Communications. Rural/Metro will provide adequate dispatch and communications equipment and monitoring of personnel. The dispatch performance requirement shall be ninety percent (90%) of all emergency call dispatches to be completed within sixty (60) seconds. The dispatch time shall be measured from the point at which the emergency information is in queue (the time a dispatch determinant is reached in the Medical Priority Dispatch System for medical calls and the time a problem/nature is obtained for fire calls), in the “call waiting section” of the Computer Aided Dispatch system, to the point at which the dispatcher initiates radio notification to the apparatus assigned to the response. Any dispatch taking more than sixty (60) seconds to complete shall be documented in the monthly and annual reports required in section 10, below.
7. Facilities/Key Personnel. Rural/Metro will be responsible for obtaining facilities from which it will operate and provide the Services. Rural/Metro shall designate a specific fire officer/s “Responsible Officer” who shall be available by cell phone 24 hours a day, seven days each week, to communicate with the Fire District’s Board Chair or his/her designee. The Responsible Officer shall attend each meeting of the Fire District’s board of directors and shall present the reports required in section 10, below. Rural Metro shall immediately notify the Fire District’s Board Chair of any change in the identity/ies of the Responsible Officer.
8. Service Levels. Rural/Metro agrees to maintain sufficient equipment and staffing so that the response times to a fire, medical emergency or accident within the boundaries of the Fire District shall be no greater than seven (7) minutes in eighty percent (80%) of the time for emergency (Code-3) responses in each twelve (12) month contract period (July 1 to June 30).
9. Performance Evaluation/Exceptions. In performing calculations to evaluate Rural/Metro's response time performance as set forth herein, all response times originating from within the Fire District's service area, consistent with the requirements of section 8 (Service Levels) herein, shall be included except as follows:
 - Response times shall be excluded where the first due responding unit is instructed to "downgrade" the response from a higher priority level to a lower priority level (i.e. Code 3 lights and sirens to Code 2 no lights and sirens) by the caller or third party.

- Response times may be excluded which occur during periods of such severe weather and road conditions which could reasonably be expected to substantially impair the first due unit's response time performance: provided, it shall be Rural/Metro's responsibility to document said conditions, the time period affected, and each affected response. Rural/Metro shall forward such reports to the Fire District with the monthly report required in section 10, below, and the Fire District will make a determination as to whether to exclude or include each incident response that was affected by such conditions. The Fire District's Board Chair shall notify Rural Metro of the Fire District's decision.
 - Excessive responses occurring during periods of unusual system overload. Unusual system overload is defined as a period of time during which units from (2) or more adjacent stations are simultaneously on emergency calls, Response times to calls in excess of that number shall not be included in response time calculations. Under this subsection, response times shall not be included which occur during the time in which the resources assigned to the Fire District are engaged in Automatic or Mutual Aid assignments.
 - The response time requirements of this Agreement shall be suspended during a declared disaster in the Fire District or in a neighboring jurisdiction which has requested assistance from the Fire District. For the purpose of this provision, the declaration of disaster must be made or affirmed by the chief executive officer of that particular jurisdiction or his/her designee.
 - In cases of multi-unit responses, only the response time of the appropriate first arriving unit shall be utilized.
 - Petitioning. Where not specifically set forth in this section, Rural/Metro may petition the District for an exception to the response time requirements when, due to circumstances beyond their control, they are unable to meet the required response on a specific incident. Rural/Metro shall provide timely documentation of the incident including the circumstances, the time period affected, the affected response time, and shall forward such reports to the District with the monthly report required in section 10, below, and the Fire District will make the determination as to whether to exclude or include the affected response time. The Fire District's Board Chair shall notify Rural Metro of the Fire District's decision.
10. Reports. Rural/Metro shall provide monthly staffing reports for Station No. 73, as well as call activity reports and written explanations to dispatch and response times to the Fire District's Board Chair. Rural/Metro shall also provide an annual report covering the period from July 1 of the preceding year and June 30 of the current year. The annual report shall include an analysis of Rural/Metro's performance with respect to response times, and a description of activities relating to operations, fire prevention and public education. Rural/Metro shall also provide any and all

reports as may be reasonably requested by the Fire District, including but not limited to, monthly reports reflecting all call data within the Service Area, the number of calls and type of response, and such other related information as the Fire District may reasonably request. Fire District reserves the right to audit Rural/Metro's contract compliance and performance records in connection with this Agreement within seven business days of written request.

11. Term; Termination.

- (a) Term. The term of this Agreement shall be for a period of five (5) years commencing July 1, 2021, and terminating June 30, 2026.
- (b) Termination for Cause. Either party may terminate this Agreement by providing written notice to the other party in the event the other party materially breaches or violates this Agreement and fails to cure such breach within one hundred eighty (180) days of receiving written notice from the non-breaching party. A material breach or violation of this Agreement is defined as a failure to be in compliance with the terms identified in this Agreement and its Appendices or the existence of any other condition which either party reasonably believes compromises the safety of the residents within the Fire District.

12. As consideration for the Services to be provided by Rural/Metro pursuant to the provisions of this Agreement, for the period between July 1, 2021 and June 30, 2022, Fire District shall pay \$317,000.00 in semi-annual payments of \$158,500.00 due on November 15th and May 15th of that period. Semi-annual payments will be due on November 15th and May 15th of subsequent contract periods.

- (a) For the period between July 1, 2022 and June 30, 2023, Fire District shall pay \$352,000.00 in semi-annual payments.
- (b) If payment is received later than thirty (30) days after the due date provided herein, a one-half percent (½%) per month late fee will be paid by the Fire District on the unpaid balance, effective from the due date.
- (b) If at any time the Fire District does not have sufficient funds to make either the entire November or the entire May payment, and has no reasonable expectation of being able to make those payments, along with applicable late fees, in the next contract year (i.e., "catch-up"), the Fire District shall give notice to Rural/Metro to that effect. The Fire District will then pay, on a timely basis, that portion of the amount due for which it does have funds, and this Agreement shall terminate when the time period elapses, for which those funds are sufficient to pay the amount due, on a pro rata basis.

13. Annual Adjustment of Contract Amount Starting in Year Three. On July 1, 2023, a two-step procedure will be used to adjust the contract amount for the contract year then beginning.
- (a) "Consumer Price Movements, December 2022" published by the Bureau of Labor Statistics, will list in "Table A, Percent changes in CPI for All Urban Consumers (CPI-U): US city average", in the right-hand column "Unadjusted 12-mos ended Dec 2022" the percent changes for two categories, "Transportation services" and "Medical care services". The average of those two percent changes will be the price adjustment percent, but limited to a maximum of plus 5% or minus 3%. The Price-Adjusted Contract Amount (PACA) for 2023-2024 will then be \$352,000.00 adjusted up or down by that price adjustment percent.
 - (b) The total property square footage as of July 1, 2023 will be divided by 2,284,255 to obtain the square-footage ratio. The price-adjusted contract amount will then be multiplied by the square-footage ratio to obtain the total contract amount for contract year 2023-2024.
 - (c) In similar fashion to 13a, the price adjustment percent for 2024-2025 will be obtained from the CPI report for December 2023, limited to a maximum of plus 5% or minus 3%, and then applied to the PACA for 2023-2024 to obtain the PACA for 2024-2025.
 - (d) In similar fashion to 13b, the total property square footage as of July 1, 2024 will be divided by 2,284,255 to obtain the square-footage ratio. The total contract amount for contract year 2024-2025 will then be the price-adjusted contract amount for that year, multiplied by the square-footage ratio just calculated.
 - (e) It is the intent of the parties that the PACA be calculated annually.
 - 1. The current property square footage as of June 01, 2021 is 2,284,255; this number will be verified through the Pima County Assessor's Office and will be updated in Appendix A each July 1.
14. Compliance with Applicable Laws, Rules, and Regulations. Both parties agree to conduct their activities and perform their obligations under this Agreement in full compliance with all applicable federal, state and local laws, rules, ordinances, and regulations. The parties also agree that all patient information and records will be treated with confidentiality and according to applicable laws. In no event shall any patient information and/or records be released by the parties unless there is a HIPAA compliant patient authorization executed by the patient, a Business Associate Agreement ("BAA"), or a subpoena or other legal process concerning such patient information and/or records that complies with applicable laws.

(a) **Compliance with Immigration Laws:** As mandated by Arizona Revised Statutes [“A.R.S.”] section 41-4401, the Fire District is prohibited from awarding a contract to any contractor or subcontractor that fails to comply with A.R.S. section 23-214(A). The Fire District must also ensure that every contractor and subcontractor complies with federal immigration laws and regulations that relate to their employees and A.R.S. section 23-214(A). Therefore, in signing or performing any contract (including this Agreement) for the Fire District, Rural/ Metro fully understands that:

1. It warrants that both it and any subcontractors it may use comply with all federal immigration laws and regulations that relate to their employees and their compliance with A.R.S. section 23-214(A);
2. A breach of the warranty described in subsection 1, shall be deemed a material breach of the Agreement that is subject to penalties up to and including termination of the Agreement; and
3. The Fire District or its designee retains the legal right to inspect the papers of any Rural/Metro or subcontractor employee who works on the Agreement to ensure that Rural/Metro or subcontractor is complying with the warranty under subsection 1.

(b) **Cancellation for Conflicts of Interest:** The Fire District may cancel this Agreement for conflicts of interest pursuant to A.R.S. section 38-511.

(c) **Non-Discrimination.** Neither party shall discriminate against any employee or client of either party or any other individual in any way because of that person’s age, race, creed, color, religion, sex, sexual orientation, family status, genetic information, disability or national origin in the course of carrying out the duties pursuant to this Agreement. Both parties shall comply with applicable provisions of Executive Order 75-5, as amended by Executive Order 2009-09 of the Governor of Arizona, which are incorporated into this Agreement by reference as if set forth in full herein, and of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36, as well as the Genetic Information Nondiscrimination Act of 2008.

(d) **Public Records.** Rural/Metro understands that Fire District is a public entity subject to Arizona’s public records laws as codified in Arizona Revised Statutes Title 39, as interpreted by Arizona case law.

15. Disclaimer. **OTHER THAN AS EXPRESSLY SET FORTH IN THIS AGREEMENT, RURAL/METRO DOES NOT AND HEREBY EXPRESSLY DISCLAIMS, ANY WARRANTIES, GUARANTEES OR REPRESENTATIONS, EXPRESS OR IMPLIED, RELATING TO THE**

SUCCESS OR FAILURE OF ITS SERVICES, OR THAT ITS SERVICES WILL REDUCE DAMAGE AND LOSS TO PROPERTY OR PERSON.

16. Mutual Aid Agreements. Fire District may negotiate with other government agencies or their representatives for the purpose of entering into mutual aid agreements. Rural/Metro agrees to honor all mutual aid agreements entered into by Fire District during the term of this Agreement with Rural/Metro's consent, which consent shall not be unreasonably withheld. Rural/Metro will assist in any negotiations if requested by Fire District. Rural/Metro shall be provided with copies of any existing intergovernmental assistance agreements entered into by Fire District prior to execution of this Agreement and shall notify Rural/Metro within seventy-two (72) hours of Fire District entering into any mutual aid agreements.
17. Indemnification.
- (a) Rural/Metro, its officers, directors, and employees ("Indemnitor") shall indemnify, *defend*, and hold harmless the Fire District, its officers, directors, members, and employees, ("Indemnitee") for, from and against all costs, claims, losses, liabilities, penalties, fines, citations, expenses, forfeitures or other damages, including but not limited to settlements, defense costs, judgments, court costs, expert(s) fees and reasonable fees of attorneys, incident to, and which it may incur, become responsible for, or pay out, arising out of or relating to (i) the performance or non-performance of Indemnitor's services, work and activities hereunder; (ii) any negligent or willful act(s) or omissions by Indemnitor; and (iii) any breach by Indemnitor of the terms and conditions set forth in this Agreement. Nothing in this section shall limit any right to contribution or other allocation of fault between the parties as determined by a court of competent jurisdiction and as permitted by all applicable laws. The amounts and types of insurance coverage required under this Agreement will in no way be construed as limiting the scope of indemnity provided in this subsection.
- (b) Fire District shall indemnify and defend Rural/Metro from and against any and all liabilities, claims, causes of action, losses, damages, judgments and expenses incurred by Rural/Metro arising from a breach by the Fire District of the terms and conditions set forth in this Agreement.
18. Insurance. Rural/Metro shall maintain at all applicable times, at its own expense, the insurance coverage provided for in Appendix B.
19. Miscellaneous Provisions.
- (a) Ownership of Records and Confidential Information. During the course of performing this Agreement, each party may from time to time receive confidential information about the other including but not limited to

information about the party's customers, patients, practices, procedures, strategies, organization, financial and other related information. Neither party shall use or disclose any such confidential information for any purpose other than the limited purpose of performing its obligations under this Agreement, without the prior express written permission of the supplying party. All documents and records prepared, maintained, handled or otherwise related to Rural/Metro's performance of Services hereunder are and shall be the property of Rural/Metro. If a party is served with a subpoena or other legal process concerning confidential information of the other party, that party shall immediately (not more than 48 hours after the receipt) notify the supplying party and shall cooperate with it in any lawful effort to contest the legal validity of such process the supplying party may wish to pursue. Notwithstanding the foregoing, the term confidential information shall not include information which: (i) is required by law to be disclosed; (ii) is or becomes generally available to the public other than as a result of a disclosure by the receiving party, any of its directors, officers, employees, representatives or agents (collectively, "Representatives"); (iii) is or becomes available to the receiving party on a non-confidential basis from a source other than the disclosing party or its Representatives, which source is not prohibited from disclosing such information by a legal, contractual, fiduciary or other obligation to the disclosing party; or (iv) is known to receiving party prior to its disclosure to receiving party.

- (b) Assignments. Either party may assign its rights or obligations under this Agreement to a third party with the advance consent of the other party, with such consent by the other party not to be unreasonably withheld. Any attempted assignment without such consent of the other party shall be null and void.
- (c) Severability. If any portion or portions of this Agreement shall be found by a court of competent jurisdiction to be invalid, illegal or unenforceable, the remaining portions(s) shall be valid and enforceable and carried into effect, unless to do so would clearly violate the present legal and valid intention of the parties hereto.
- (d) Notices. Any notice required or permitted to be given pursuant to any provisions of this Agreement shall be given in writing, and either delivered in person, deposited in the United States mail, postage pre-paid, registered or certified mail, return receipt requested, properly addressed, or by a nationally recognized overnight courier service, to the following addresses:

- (f) Arbitration. To the extent applicable, disputes arising from this Agreement shall be subject to arbitration pursuant to A.R.S. § 12-1518.
- (g) Legal Fees. Failure of the District to demand such examination shall not be deemed a waiver of the insurance requirements.
